

First Nations Prayer

**Oh Great Spirit, whose voice I hear in the wind,
I come to you at this moment surrounded by many
problems and anxieties,**

**There seems to be no way out of them, but I know that you
are all powerful and forgiving,**

**I come before you as one of your children, I'm small and
weak; I need your strength, courage & wisdom,**

**Pardon me for my lack faith and enable me to trust you
more and more,**

**I want to have a stronger faith in you and I will do my best
to exercise day by day,**

**Bless me with quietness of mind so that I will be able to
make good use my abilities,**

**Bless me with knowledge so that I may have kindness,
respect and forgiveness for all,**

I will not judge my brother by mine eyes, but with my heart,

**Oh great powerful one grant me the blessing of your
presence so that in all things I will be guided by your power
strength and wisdom,**

**In my earnest prayer I will serve you fully and be a blessing
to others,**
